MS SERIES.

G.O. NO. Ms. 4279 Health

Dated 19-12-1950.

[Despatch Abstract.]

Medical Institutions - South Kanara Dt. Bd. -
Opening of subsidised rural dispensaries
at Kokkada, Naravi & Panja -
Deferred —

Roc.7618-A4-48. South Kanara District Board Office,
Mangalore, dated 18-8-1950.

From

Sri B. Manjayya Hegde, B.A., B.L.
President, District Board, S.K.

G 80682

The Secretary to Government,
Health Department, Madras.

Through

The Surgeon General with the
Government of Madras, Madras.

Sir,

Sub: MEDICAL RELIEF - Rural Dispensaries - Opening of - sanction sought.
Ref: Govt.Memorandums Nos.10000-L/50-1 P.H. dated 24-2-50 (A) 38021/50-2 P.H., dated 24-2-50 and 11997-L/50 dated 24-2-1950. (B)

....

As directed by Government in their memorandums quoted above, this District Board contemplates the opening of the three Rural subsidised dispensaries at Kokkada, Naravi and Panja with effect from 1-4-1951 with the state aid for payment of subsidy for Medical Practitioners.

2. The Rural Dispensaries at Manchi and Perla were opened on 31-7-1949 and 2-10-49 respectively agreeably to Government Memorandum No.49833-G1-49-3 P.H., dated 11-7-48 (D) and 54589-G1-49-2 P.H., dated 17-8-49. (C)

3. I ~~therefore~~ request that Government may be pleased to approve the proposal of the Board for the opening of the new Rural Dispensaries at Kokkada, Naravi and Panja and to accord sanction for the payment of subsidy from state funds in respect of the above Rural Dispensaries to be newly opened and those already opened at Manchi and Perla with effect from 1-4-1951 as the District Board with its ~~unsound~~ financial position, finds it difficult to meet the extra cost for payment of subsidy of the Rural Medical Practitioners at Manchi and Perla ffom its own funds.

4. I also request that Government may be pleased to sanction the posts of subsidised midwives for the Rural Dispensaries at Kollur, Panathady, Guthigar, Manchi, Perla, Shirtady and Kaniyur and accord sanction for the payment of subsidy from state funds with effect from 1-4-1951 as the public at these places are agitating for the appointments of midwives.

FOR PRESIDENT,
District Board, South Kanara.

Sir,

ub: MEDICAL RELIEF - Rural Dispensaries at Kokkada, Naravi and Panja - Subsidised midwives in other Rural Dispensaries also - Sanction - Sought.

Ref: Government Order M.S.No.4279 Health dated 19-12-1950.

In their orders quoted above, Government have informed me that the opening of the three subsidised rural Dispensaries at Kokkada, Naravi and Panja and the employment of midwives as proposed in this office Reference No.7618-A4-48 dated 18-8-1950 should be deferred in view of the unsatisfactory financial position of the District Board.

2. The proposals referred to in this office R.O.C.No.7618/48-A4 dated 18-8-1950 in respect of the first named two dispensaries were sent as per instructions contained in Government Memorandum Numbers 10000/L 50/1P.H. dated 24-2-50 and 3802/L 50 dated 24-2-50-and in respect of the last named Dispensary was furnished as advised in Government Memorandum No.11927/L.50.PH dated 24-2-50.

3. The above localities are in the Malnad areas of the district where there are no facilities for medical aid. The poor villagers have been suffering age long for want of medical aid and maternity relief. It is time that they should be given the benefit of a Rural Dispensary and a midwife.

4. The District Board's share of annual expenditure in respect of each Rural Dispensary will be about Rs.1,460/- as particularised in the margin and the Dt. Board has made necessary provision in the Budget Estimate for 1951-52 for the purpose.

	Rs.
1) Additional subsidy of Rural Medical Practitioner per annum	390/-
2) Additional subsidy of the Midwife per annum.	240/-
3) Provision for drugs	800/-
4) Provision for contingencies	24/-
Total	1,454/-

5. The new Rural Dispensaries at Manchi and Perla were opened with effect from 31-7-1949 and 2-10-49 respectively entirely from the funds of the District Board as directed by Government in their Memorandum No.49833 G1/49-3 P.H. dated 11-7-49 and No.54589 G1/49-2 P.H. dated 17-8-49 and subsidy on behalf of the Rural Medical Practitioners of the above Dispensaries was requested to be sanctioned from State Funds in this office Roc.No.7618 A4/48 dated 18-8-50, agreeably to the instructions contained in the Government Memorandum referred to above.

6. The need for the assistance of skilled midwives is keenly felt by the villagers in and around the villages where there are Rural Dispensaries and as such sanction for the posts of subsidised midwives at Kollur, Panathadi, Guttigar, Manchi, Perla, Shirtady and Kaniyur was also sought in this office R.O.C.No.7618-A4-48 dated 18-8-1950.

7. In case the payment of subsidy of the Rural Medical Practitioners working at Manchi and Perla is sanctioned from State Funds as already promised, the savings accrued thereby will be available to meet

meet the cost of drugs and for payment of additional subsidy to the Rural Medical Practitioners to be appointed at Naravi, Kokkada and Panja.

8. As repeated representations are being received from the several associations and the Public of the Malnad areas for giving immediate medical relief and skilled Maternity relief I request that Government may be pleased to reconsider their orders in G.O.No.Ms.4279 Health dated 19-12-50 and accord sanction for the opening of subsidised Rural Dispensaries at Kokkada, Naravi and Panja with subsidised midwives therein with effect from 1-4-1951. Sanction may also be accorded for the payment of the subsidy to the Rural Medical Practitioners of Manchi and Perla and subsidised midwives also allowed to the new Rural Dispensaries referred to in para 6 above with effect from 1-4-1951.

L/13.a

FOR PRESIDENT,
District Board, South Kanara.

11.1.51.

Memo No. 2134L/51-1 d. 13-2-57

Medical Institutions - South Kanara Dt. Bd.
Opening of Subsidised rural dispensaries
at Kokkada, Navani etc -
From the P.D.B. South Kanara Rcdm. 7618-HB-II
d. 5-1-51.

The P.D.B. South Kanara is informed that ~~the~~ how right his activity to reconsider the orders in Go. 4279 Health d. 19-12-50, ~~will not be reconsidered~~.

The P.D/B/South Kanara
Mang Cy.

16/1/51.

27/1/51

27.1.51.

17/2/57.

10/2/51

Note: The orders in H/13 cf were passed because after unsatisfactory financial position after Dt. Bd. The financial position after Board could not be expected

I have changed no more after. ~~Hence the draft at page is for approval~~

The question of sometimes the payment of subsidy from State funds to the R.M.Ps & midwives is usually considered only as part of Scheimes. Draft overleaf is for approval.

7/1/51

29.1.51

In connection with Malwad Scheme, there are certain proposals for opening rural dispensaries. P. put up the

30/3/51

You file referred to is listed below. ~~There seems to be a case for the consideration of the orders in Govt file~~ ~~The draft d. 14-12-50 on the following~~

In the L.F. the S. G. has stated that he is not in favour of opening rural dispensaries and has suggested the opening of regular & mobile dispensaries. The S. G's main objection to the opening of rural dispensaries in the Bhakhra area is that it will not be possible to find men to man them. In this file Secretary, Health Deptt has taken the view that the proper course would be to have mobile dispensaries with a stable permanent dispensary or dispensaries as base but that this is no objection to rural subsidised dispensaries being opened, if people can be found to man them. Secretary has also observed that the St. Bd. should be able to provide for rural dispensaries, if the Karnal Hospital is taken over by Govt. If it is not taken over by the Govt. and in any case as R.M.P's may not be available, the possibility of two or three mobile dispensaries each based on a stationary dispensary to cover the Bhakhra area, with due regard to the population to be served, may be examined.

p 4 ante ZLF.

The questions raised by Secretary are under examination in the Z.F.

The proposal for opening of subsidised rural dispensaries was examined as a part II scheme for 1951-52 but was dropped as the finances of the St. Bd. are not sound. The only strong point that can be urged for the reconsidering of the orders is that the St. Bd will have some money to finance the rural dispensaries if the L.F. hospital at Karnal is taken over by the Govt. If the St. Bd. has some funds at its disposal, it is open to the St. Bd. to open non-subsidised dispensaries without any outside sanction

p 3 ante (L)

Govt. sanction is necessary only to open subsidised ~~and~~ dispensaries & such proposals ~~are Governed~~ are considered only as part II schemes & it does not appear that the proposals can be considered now & sanction accorded for the opening of subsidised rural dispensaries. The Govt. may decline to reconsider the orders in Fo. 42/9/Pt dated 19.12.1950 and the question of providing medical relief in ~~Kolhapur~~ Malvan area in general may be examined in the Dept and decisions taken in the DP.

p 13 ante (L)
10/4/51

The draft memo on p1 ante is for consideration.

Medl Institutions - S. Kanara Dt - Rural dispensaries subsidised by Govt - Opening of -

The proposal in this file relates to the opening of subsidised rural dispensaries in the S. Kanara Dt. at Kokkada, Naravi, and Panja, and the payment of subsidy from State funds to the RMPs to be employed in the ~~proposed~~ proposed three rural dispensaries and the payment of subsidy to midwives to be employed in seven subsidised rural dispensaries at Kollur, Panathady, Guttigar, Manahi, Perla, Shirtady and Kaniyur. The S.G. recommends the opening of the proposed three subsidised rural dispensaries. This may be supported.

H 26/2/50

2) As regards the employment of midwives, the S.G. states that the statistics within those villages have been called for and he has not made his recommendation in the matter. The question of sanctioning the employment of midwives on State subsidy need not be considered now even if it is recommended by the S.G. If the employment of the midwives is considered necessary, the Bd may do so and the payment of State subsidy may be considered later on if there is sufficient justification for the payment of subsidy.

H 26/2/50

H 26/2/50

The liability to Govt on account of this proposal will be the payment of subsidy to the RMP at the rate of Rs 900/- p.a. in case he is a graduate or Rs 780/- p.a in case

he is a licentiate. The total amount for ten three proposed rural dispensaries will be Rs 2700/- p.a. If given medicines are to be supplied, subsidy will have to be paid at the rate of Rs 480/- p.

The DBd will have to meet the following items of expre in respect of each of the proposed rural dispensaries:-

Cost of medicines	Rs 1,000/-
Contingencies	140/-
	1,140/-

On the whole the DBd will have to bear an expre of Rs 3,420/- for maintaining the three proposed dispensaries.

It has been stressed that Rural development schemes should be given liberal consideration. This dept may therefore support that this proposal may go forward as a Part-II scheme for 1951-52 if the DBd is able to meet its share of cost.

L.A and Finance may see U.O. for remarks.

Should read for [illegible]

HP
